A non-refundable registration fee of \$250, separate from tuition, is due at time of registration. Tuition may be paid in full (with a 2% discount if paid by 8/16/19), semi-annually or quarterly.

We have restructured our tuition schedule to simplify registration. Please note that there is a built-in incentive for registering for five days a week at the beginning of the school year. We are hoping to make it easier for our families to choose full-time programs in September and to discourage many changes throughout the year. *Please also note that days or extended hours added on after registration will not be prorated on a week by week basis.* New registrations or changes made between the start of school and November 30<sup>th</sup> will be charged the full tuition. Registrations/changes made between December 1<sup>st</sup> and March 1<sup>st</sup> will receive a 25% discount on the annual tuition. Registrations/changes made after March 1<sup>st</sup> will receive a 50% discount on the annual tuition. **This policy applies to tuition, adding days, adding afternoon hours (1-3pm), and the breakfast club/after care programs.**

A variety of in-school enrichment programs are offered every afternoon and are included in 9 am–3 pm programs. However, 2s and 3s who register for 1 pm dismissal may add one or more afternoons to their schedule for an additional \$400 per day for the year. These afternoons (1-3 pm) may include: art, cooking, Spanish, science and movement, as well as rest time. There is no tuition adjustment for families who choose to pick up before dismissal.

**Breakfast Club:** An early drop-off program is available from 7:30-9 am. The cost is \$325/day for the year (\$1,625/year for five days a week). You may also “drop in” as needed for \$18/day.

**Extended Care:** An afternoon extension program is available five days a week, with pick up at 5 pm (**4 pm on Fridays**). The cost is \$325/day for the year (\$1,625/year for five days a week). You may also “drop in” as needed for \$18/day.

Register by March 11, 2019 to receive a \$100 credit. This will appear on your statement as a registration credit. Returning students will receive a \$100 credit against the last month’s tuition. Siblings will receive a 10% discount off of the lesser cost program. Partial refunds are only offered to families moving out of the area.

All registered Shores families with at least one Jewish parent are entitled to FREE membership at Temple Ner Tamid. All graduates of the 4 year old program are entitled to FREE Sunday religious school kindergarten classes at Temple Ner Tamid Religious School.
